Times Square Billboard PRICE SHEET! (Revision May 2017)

Not all boards are the same. Our Times Square digital billboard offers maximum visibility from pedestrian & vehicular traffic because it is situated just above one of the most crowded sidewalks in Manhattan. It is adjacent to a mid-street pedestrian crosswalk with a stop light, and benefits from one of Manhattan's busiest streets, 42nd Street. 42nd Street serves as the main corridor for traffic coming in through the Lincoln Tunnel and is within close proximity of the Port Authority Bus terminal, nine subway lines, countless buses and cars all converging right in front of our board. *(THE NATIVE RESOLUTION OF THE DISPLAY: 864 px Wide X 480 px High)*
